APPROVAL OF STATE ENGINEER	,
This is to certify that I have examined the foregoing application,	٠İ.
相对 Control of the Co	
and do hereby grant the same, subject to the following limitations and	
conditions: This permit is issued subject to all prior rights on the	
source. A valve must be installed and maintained to prevent waste of	
water. A meter must be installed in the pipe line, near the point of	
diversion, so that accurate measurements of water placed to beneficial use may be obtained. This source is located within an area that has	
been designated by the State Engineer as coming within the meaning of the provisions of the 1939 Underground Water Act, as amended in 1943; therefore the State reserves the right to regulate the use of the water herein granted at any and all times.	
The amount of water to be appropriated shall be limited to the amount	
which can be applied to beneficial use, and not to exceed 0.1	
cubic f@@t per second.	ļ
Actual construction work shall begin on or before February 3, 1947	1
Proof of commencement of work shall be filed before March 3, 1947	
Work must be prosecuted with reasonable diligence and be completed on or	
before February 3, 1948	
Proof of completion of work shall be filed before March 3, 1948	
Application of water to beneficial use shall be made on or before	· /
February 3, 1949 . Proof of the application of water to beneficial
